MATERIALS

- Chocolate powder can
- White and colored paper

And lots of creativity!

LET'S MAKE ART?

Step 1: Cover the can with the paper. You can use one or more colors.

Step 2: Wrap the paper around the can and glue the edges.

Step 3: Now comes the most interesting part. You're going to decorate the can!

You can draw using the markers. You can use white paper and a black marker for the eyes, cut out two pink ears and glue them to the sides of the can. Be creative and decorate your piggy bank as you like!
