

## Arts & Fun Web TV Show Notebook cover!

### MATERIALS

- Notebook
- Magazines, photos or illustrations
- Different types of fabric
- Beads, buttons and loose parts of any kind
- Glue
- Paintbrushes
- Acrylic paint
- Sponge
- Adhesive tape

And lots of creativity!

### LET'S MAKE ART?

**Step 1:** Choose a beautiful sheet of paper/fabric and wrap the notebook cover with it.

**Step 2:** Glue the paper/fabric at the back using a glue or adhesive tape, so you'll have the perfect canvas for your art piece. If you don't have any paper/fabric for the cover, you can paint the original one using a sponge.

**Step 3:** Now glue the loose parts, pieces of fabric and pictures as you like, creating a very creative shape.

Nobody will have the same notebook cover as you! And the best thing is that you didn't have to buy a new one.
