### TOILET PAPER TUBES PENCIL HOLDER

#### MATERIALS

- Toilet paper or paper towel tubes
- Colored markers
- Acrylic paint
- Paintbrushes
- Wrapping paper
- Scissors
- Glue
- Cardboard
- And lots of creativity!

## LET'S MAKE ART?

**Step 1:** Cut down the tubes to different sizes. You can use as many tubes as you like – the more you use, the bigger your pencil holder will be.

**Step 2:** Paint the inside of the tubes in different colors to match your wrapping paper and leave to dry.

**Step 3:** Now glue the tubes together one by one onto the middle of the cardboard. Let it dry. Then cut out the edges of the cardboard.

You can be quite creative! How about making a dinosaur? Or a giraffe? Customize the way you like!
