SUSTAINABLE VASE

MATERIALS

- Tuna can
- Colored paints
- Paintbrushes
- Markers
- Masking tape
- Clothes pins
- A small plant

And lots of creativity!

LET'S MAKE ART?

Step 1: Use the paints and brushes to paint the clothespins – you can use different colors and patterns to get them more customized!

Step 2: Wrap the masking tape around the can, then paint it and let it dry completely.

Step 3: Now it's time to decorate the can using the customized clothespins and markers. Then place the plant inside it and you'll have a vase for your flowers!
